

## **Financing Your Business Purchases**

*Determined to keep your business humming along during this gut-wrenching economy? Roll up your sleeves and go for it!*

But just know this: Winning during hard times takes more than gumption. And today, it can be a real challenge to get capital to finance your business purchases.

Some banks seem to have their money on an indefinite lock-down. A heart-stopping reality for many business owners.

*But don't sweat it.*

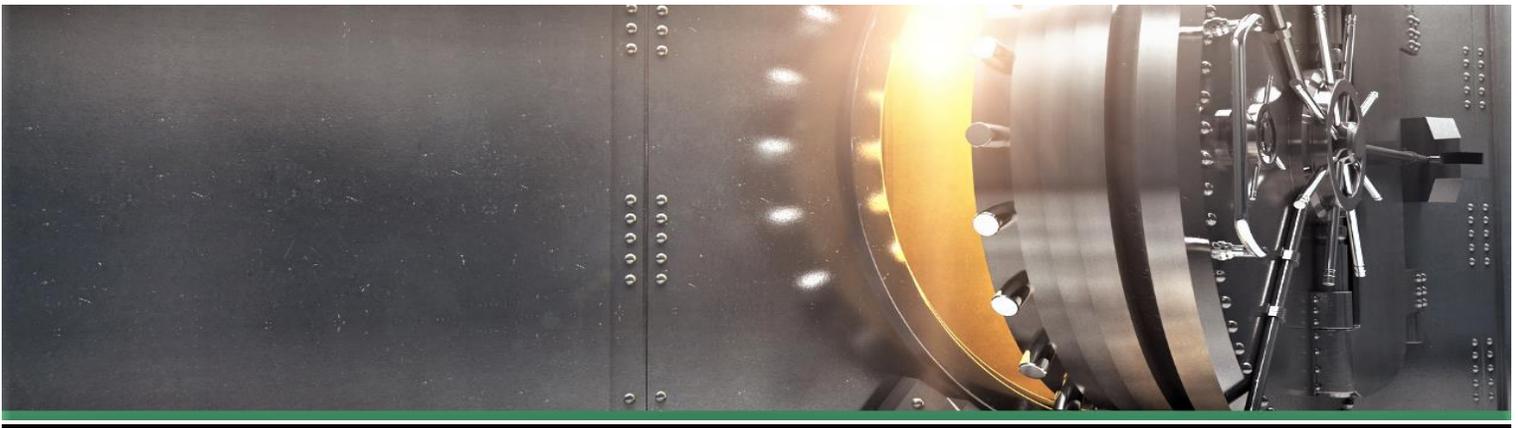

You can use our **Private Banking Strategies** to start or grow your business, *even when no banker will loan you a dime*. It may surprise you that **famous business owners have used this method**, including Walt Disney and J.C. Penney.

Seize control over your business finances and *fire* your banker and finance company. **Our Private Banking Strategies can be used to finance business vehicles, equipment, office buildings and more – and recapture the interest you'd otherwise pay to finance institutions.**

**WANT TO FIND OUT HOW *YOUR* BUSINESS COULD BENEFIT FROM OUR PRIVATE BANKING STRATEGIES?**

[Yes, Tell me more!](#)

You can use this method to:

- Expand your business
- Add equipment or technology that puts you ahead of your competition
- Hire needed employees so you can take your business to the next level while having more time to enjoy your life and your family
- Grow your retirement savings *safely* and *predictably* – with *no* government restrictions or penalties on when or how much income you can take from the plan
- Take an income stream in retirement with little or no taxes due, under current tax law.

Our **Private Banking Strategies** are used for **many different purposes, such as to:**

- Pay back loan interest to themselves *instead of losing it to a financial institution*
- Eliminate credit card debt
- Purchase the mortgage on your real estate and capture the interest payments in your own bank
- Build a real estate investment portfolio
- Purchase a franchise

Our **Private Banking Strategies** lets you *fire* your banker and become *your own* source of financing... *all while growing a retirement fund you can predict **and** count on!* **Call us now at 817-200-4777 to schedule a consultation for your specific situation, the consultation is free!**
